- The same terms apply for repeat prescriptions, referral letters or completion of forms requested by telephone, email or in person. Payment is required at the time of collection. If an "urgent" prescription is required, (same day as request), an additional $20.00 fee is added to the standard fee.
- Overdue accounts may be referred to a collection agency and you will be liable for any fees applicable for costs incurred in collection of any debt. If a bad debt is incurred you will be required to pay 'cash in advance' of your consultation or service from that day forward.

## Eligibility Process

Prior to accepting people for enrolment in the PHO, Providers and their staff are responsible for assessing a person's eligibility to receive publicly-funded health services and entitlement to enrol in the PHO.

For all new people seeking to enrol in the PHO, the Provider must assess:

- eligibility to receive publicly-funded health services
- entitlement to enrol – and *also* that
- the person wishes to use the practice as their ongoing General Practice provider.

### New Zealand Citizens (including those from the Cook Islands, Niue or Tokelau

**Eligibility:**
A New Zealand citizen (a person who has New Zealand citizenship under the Citizenship Act 1977 or the Citizenship (Western Samoa) Act 1982) is eligible for publicly funded health and disability services. **Criteria:** B2, Health and Disability Services Eligibility Direction 2011

**Proof of eligibility:**
You will need to show your health service provider:

- your New Zealand passport **OR**
- your New Zealand Birth Certificate (or Cook Island, Niue or Tokelau birth certificate) **AND** two forms of proof that you are the person on the birth certificate **OR**
- your New Zealand Certificate of Citizenship **AND** two forms of supporting identity documentation, one including photo ID
- your Descent Registration Certificate **AND** two forms of supporting identity documentation – one needs to have a photograph of you **OR**

Requirements for these documents are waived for children.

**Note:**
Time spent overseas does not affect New Zealand citizens' eligibility. However, if only temporarily in New Zealand, they may not meet the requirements for primary health organisation enrolment. Children aged 17 years or younger, in the care and control of a parent or guardian who is a New Zealand citizen, are eligible for the same publicly funded health and disability services as their parent or guardian. Children aged 17 years or younger, in the care and control of a person applying to legally adopt them, or become their legal guardian, are also eligible. Except for maternity services, partners of people eligible for publicly funded health and disability services must themselves meet the eligibility criteria.
